

He restores my soul

**Dear Friends,**

At our monthly gathering last November we held a prayer liturgy for healing. Everyone who attended found it a very blessed occasion. As we approach the end of another session we want to give people the opportunity to once again be part of that, and not only them, but also to bring in confidence all the many people from around the world who have asked us to pray for them throughout this year. We are approaching the season of Pentecost. The Spirit of God is alive and active, waiting to touch, to heal, to bless. We invite you to come to our special May monthly meeting and to bring your friends with you. We ask you to pray for this gathering. We ask you to come with hearts that are prepared and expectant. We look forward to this special event and to as many of you as possible being with us.
